

## Have you tried Argen Clear Aligners?

Why Argen? Quality, comfort, and esthetics. Argen aligners are made from a premium thermoformed plastic that deliver precise fit and continued force. They're durable, stain resistant, and more comfortable for patients. Argen aligners are also easy for you. They integrate with digital impression scanners for streamlined case management. Your patient's aligners arrive with everything needed for treatment.

**Please allow 15 in lab days for all implant cases to be completed when scheduling your patients.**
